Sample Project Document

This is a sample Word document created to test a Word-to-PDF converter project.

Project Details

Project Name: Word to PDF Converter

Developer: Test User

Purpose: Convert .docx files into .pdf format accurately.

Features to Test

- Proper text formatting conversion
- Headings and subheadings formatting
- Bullet points and numbered lists
- Page layout preservation

Conclusion

If this document converts correctly into PDF format with all formatting preserved, your converter is working properly.
